

Specifications

General	
Working Voltage	3.7V
OS	Android 4.4
Support Network System (the rest of the band can be customized)	FDD-LTE:B1/B3/B5; WCDMA: B1; CDMA/GSM; TDD-LTE: B38/B39/B40/B41; TD:B34/B39;
GPS/	Support, for optional features
Wi-Fi	2.4GHz
Bluetooth	4.0
Battery Capacity	Li-ion 5200mAh Note: Battery life depends on the network environment
Dust& Water Proof	IP54
Temperature	Operating Temperature: -20°C~+60°C Storage Temperature: -40°C~+70°C
Memory	4GB (EMMC) +512MB (DDR3)
Support Group	2000
Interface	Sim card *1 (micro sim) /2.5mm earphone jack *1
USB	Micro USB (For data transmission and battery charge
Maximum Speed	Uplink speed: 50Mbps/Downlink speed: 150Mbps
Languages	Chinese/English/Support Customization
Dimensions	55(L)X36(W)X126(H)mm
Weight	250g
Humidity	5%~95% relative humidity

BT-CM625/625s

Push-to-talk over Cellular

Highlights

Fast Communications with 4G Networks

4G networks delivers a higher data transfer rate and reduced latency, and thus enable the user to communicate with unprecedented speed and efficiency.

Diverse Network Coverage: LTE, GSM, WCDMA, Wi-Fi

BelFone PoC radios work over GSM, WCDMA and Wi-Fi networks, giving you the most dynamic options for your PTT communications.

Talker Priority (Supervisory Override)

A radio with higher level can interrupt communications between radios with lower levels, giving higher priority to senior workers.

Dispatch Application

BelFone PoC radios come with an optional dispatch application that allows managers to track every worker's location in real-time and can monitor and dispatch with ease.

Real-time Radio Status

This function allows the user to know whether another user is available or not with the real-time presence indicator--green for "Available" to talk while red for "Do Not Disturb" (DND).

Over-the-air Programming

The user's PTT contact book is preset via over-the-air programming, which makes management easier. And users can better concentrate on the mission.

Features

- PTT Over 4G LTE Networks
- Over-the-air Programming
- Versatile Calling Functions: Individual, Group, All Call
- Talker Priority (Supervisory Override)
- GPS/Big Dipper (China)
- High Quality, Clear Audio
